

MNR Designated by Chambers & Partners as Top Law Firm for White-Collar Crime & Government Investigation

Chambers & Partners is widely recognized as one of the primary arbitrators of achievement in the legal profession due to its reputation for relying on in-depth, objective research to identify and rank the world's top legal professionals and firms. While collecting information on MNR and its attorneys, Chambers & Partners USA interviewed several of MNR's clients and colleagues, who commented:

"That firm is definitely one to keep an eye on."

"They are highly respected and have a very knowledgeable approach to the law."

The "tenacious and energetic" Daniel Rashbaum is a "fabulous trial lawyer."

Jeffrey Marcus has an "excellent pedigree and an excellent professional reputation."

Jeffrey Neiman is regarded by sources as being "very accomplished" and as understanding "the body of law very well."
